

PADEL COURT SUPPLY & INSTALLATION

PREMIUM PADEL COURTS. FACTORY DIRECT.

Supplied, shipped and installed at your venue, typically
£6,500–£8,500 less per court than buying through a
distributor.

- 01 **STANDARD**
- 02 **PANORAMIC**
- 03 **SUPER PANORAMIC**

Singles and mini courts also available.

THE RANGE

THREE COURT DESIGNS

Choose the frame to suit your site, your players and your budget.

01 STANDARD

Fully framed for maximum rigidity and wind resistance. The right choice for outdoor and exposed sites.

02 PANORAMIC

Slimmer framing around the glass gives players and spectators a clearer view of play.

03 SUPER PANORAMIC

Uninterrupted glass on all sides. Built for show courts and flagship venues.

+ SINGLES & MINI COURTS

Smaller footprints for tight sites, coaching areas and junior play.

PRICING

SAME COURT. NO MIDDLEMAN.

Most UK venues buy through Spanish distributors, who add their own margin before the court reaches the UK. We buy direct from the factory and manage the import ourselves.

BEYOND THE COURT

WE RUN PADEL CENTRES TOO

Our advice comes from running venues day to day, not from a sales sheet.

- 01 Court mix and site layout planning
- 02 Playtomic set-up and operational onboarding
- 03 Opening stock and ongoing supply of balls and rackets
- 04 Ball machines and other venue equipment
- 05 After-sales support once you're open

OUR OWN SOFTWARE

VELOCITY CONNECT

Automatically posts your club's open Playtomic matches into members' WhatsApp groups, segmented by playing level. Games fill faster and your staff spend less time on it.

- 01 **POSTED AUTOMATICALLY**
Open Playtomic matches go straight into members' WhatsApp groups.
- 02 **GROUPED BY LEVEL**
Each match is shared with the group for the right playing level.
- 03 **LESS STAFF ADMIN**
Games fill faster, with less time spent chasing players.
